Conditions that May Extend Lead Times:

- Orders that require coordination by VT from approved schedules
- Lead times reflective of stocked materials on non-specialty product constructions. Non-standard product may have longer lead time materials and/or special constructions requiring additional production time (i.e. wickets, reveals, sketch face, inlays, and applied moldings)
- Factory finish sample not approved at time of order submission
- Components/accessories with extended lead times and/or additional manufacturing time for installation
- Factory painted products
- Keralite glass is no longer available. VT's new standard is Pyran Platinum, please make sure to select this on new orders
