DOORS

THE VT

IDEAL DOOR

A DOOR FOR EVERY NEED. ONLY FROM VT.

With the addition of the IDEAL Door Division, VT is proud to say that we can handle all of your architectural wood door needs, from medium-grade architectural wood doors to the highest-caliber custom and specialty doors — all with the industry-leading customer service you've always enjoyed.

IDEAL DOORS

For decades, VT Industries has provided top-quality architectural wood doors to architects and builders across the country. And with the recent acquisition of IDEAL Doors, we're now able to meet your needs for high-end custom and specialty doors.

IDEAL Door Division is one of the finest premium door manufacturers in the country, offering the highest-quality doors in a number of styles, including:

- Stile & Rail
- Thick doors
- Oversized doors
- Blueprint-matched panels and doors for any veneer grain or color
- Sketch Face doors
- Specialty veneers

Stile & Rail – Mahogany, Clear Finish

DIVISION

QUALITY AND CRAFTSMANSHIP

IDEAL Doors are manufactured with a commitment and dedication to building the finest doors around.

- IDEAL Doors are environmentally friendly.
 - Forest Stewardship Council (FSC) certified materials are available.
 - Doors can assist in earning multiple Leadership in Energy and Environmental Design (LEED®) credits.
- 45-, 60- and 90-minute fire ratings are available in both neutral and positive pressure applications.
- Top and bottom rails — as well as inner stiles — are made from engineered lumber for greater stability and moisture resistance.
- Hardboard crossbands provide strength and stability.

VT INDUSTRIES

VT doors are backed by one of the finest customer service programs in the industry. Our CORE Distributors are located all across the country, which means you have a local source for door solutions no matter where your project is located. Our extensive and efficient distribution system also means that lead times are small and reliability is big. You can always count on VT doors to arrive on time and exactly to your specifications.
