

strong beautiful colors of eco

With VT's dedication to the environment, we're proud to offer the beautiful and environmentally friendly ECO by Cosentino®. From its surface all the way down to its adhesive, the ECO by Cosentino countertop is the industry benchmark for environmental certifications.

- ECO by Cosentino is a quartz surface composed of 75% recycled content
- The other 25% is natural materials
- Bound by a vegetable resin
- Uses post-industrial & post-consumer recycled materials
- High performance against scratching, staining, and scorching
- Non-porous surface
- No sealing required
- GREENGUARD, NSF, and Cradle to Cradle Certified
- 10-year limited residential warranty

Forest Snow

Red Pine

ECO by Cosentino is composed of natural materials. All colors are subject to variations in shade and particulate structure. Light reflects differently on paper than on stone and will affect the way colors look. Colors will vary from printed representation. Color availability varies by region. Please ask your sales associate for details.
