Holly Gardens Condominiums

CAPRICE

Smoky Topaz 4589-7

The Holly Gardens in Kansas City, MO is a 50 unit condominium conversion in the heart of Kansas City's Plaza. VT Industries ProTeam member, Sawdust LLC from Kansas City, provided VTI postform laminate countertops with the **Caprice profile, featuring Wilson-art® Smoky Topaz 4589-7 laminate.** Reliable Construction acted as the General Contractor on the project and CRES Management was the developer on this sold out project.
