## CORE OPTIONS FOR 1-3/8" DOORS

The table below summarizes core options for 1-3/8" thick doors. These options are based on availability as well as physical properties, such as density profiles, for the core materials.

Core Type	Offered for 1-3/8" Doors	Notes
Standard Particleboard	Yes	Stocked size
UF-free Particleboard	Yes	Stocked size
FSC Particleboard	No	Not currently available
Structural Composite Lumber	Yes	Stocked Size
Agrifiber	No	Not currently available
