

Project *Spotlight*

LAKESIDE RESIDENTIAL

Lakeside Residential is a new, modern construction home that features 28 beautiful stile & rail doors. The doors selected for this project showcase the wide range of capabilities that VT's Eggers Stile & Rail Door collection can bring to any residential project.

These doors helped elevate the modern design to meet the homeowners desired aesthetic. The doors selected feature a wide variety of elevations including a SS 2 Panel, SS 6 Lite, SS 6 Lite Panel doors used in single, paired, pocket, and barn-door applications. All doors feature a particleboard core, High Density Fiberboard (HDF) veneer, and are non-rated. The doors brought life to nearly every room in the home including bedrooms, bathrooms, closets, utility spaces, and the pantry.

Stile & Rail - SS 6 Lite French Doors
