WILSONART'S -21 SOFT SILK FINISH

Due to Wilsonart moving their -21 Soft Silk finish to a factory order option, VT Industries will only stock the following stocking laminate patterns in the -07 Textured Gloss finish:

Drama Marble- 5010-07

Brazilian Grey- 5026-07

To ensure lead-times are effectively communicated with Wilsonart's -21 Soft Silk finish, VT has made the appropriate updates to *VOnline*®. If the -21 finish is selected, the system will notify customers that there is an extended lead time associated with the laminate selection.
