## MAKE IT YOUR OWN

VT Dimensions® countertops bring style and durability together in one seamless offering—from the slab-like core, to the naturally beautiful surface, to the premium edge profiles. These surfaces are formed as a single piece with a rolled front edge and integrated backsplash to create sophisticated beauty. We know you need surfaces that stand up to everyday life. That's why VT Dimensions countertops resist scrapes, and the seamless edge counteracts the collection of dirt and grime. Whether you use them as work surfaces in your craft space or as desks for your home office, our surfaces bring your personal style to every room in the house. At VT, we design every countertop with your life in mind.

Since 1956, VT has created beautiful doors and countertop surfaces for homes and businesses across the country. We hope to sustain the success that we've had over the past 60+ years by staying in motion and continuing to manufacture new, innovative products that give our customers more.
